June 1985

The First International Symposium on Microcomputer Applications in Developing Countries was inaugurated on Sunday 4th November 1984, at the Mount Lavinia Hotel, Colombo, Sri Lanka, by the Honourable Lalith Athulathmudali, Minister of National Security, in the presence of His Excellency John H. Reed, Ambassador for the United States of America, Prof. Mohan Munasinghe, Chairman, Computer and Information Technology Council of Sri Lanka and Dr. William J. Lawless, Chairman, Panel on Microcomputers, National Academy of Sciences – National Research Council, U.S.A.

Funding for this Symposium was provided by the Computer and Information Technology Council of Sri Lanka, and the United States Agency for International Development – through the National Academy of Sciences, U.S.A.
